Diversify Your Portfolio

Make your wardrobe work harder with multitasking accessories

Add classic elegance with DeGem Infinity 2009 rings, from RM3,200.

These Giuseppe Zanotti gladiator heels will make you look sharp at work. From RM2,000.

Start conversations with clients easily with these lightbulb cufflinks, RM169, from Cuffz. They even light up!

Metal studs give a funky touch to this leather belt, RM149, from Guess.

Fiery red heels, RM269, from MNG, let you walk the talk.

Elegant cufflinks, RM859, from Thomas Pink, add class to any work shirt.

Look pulled-together in seconds with large-framed sunnies, price unavailable, from Ferragamo.

A square-face watch, RM750, from Furla, is strong yet sexy.

Match your white gold, platinum or diamond jewellery with this watch, RM1,650, from BOSS.

Gadgets On The Go

Jump ahead of the pack with polished (and practical!) tools

The HP mini 1000, RM1,699, is just 10 inches wide but the keyboard is full size!

The BlackBerry® Bold™ smartphone, RM2,199, keeps you connected with e-mail, phone, instant messaging and the Internet.

The slim Sony Vaio P, from RM2,799, is light enough to fit into small handbags for super portability.

The Nokia Xpress Music, RM1,499, lets you work and play with just one gadget.

The touch-screen LG KP500 Cookie, RM870, has a 3-megapixel camera, FM radio, Bluetooth, video recording and even an accelerometer!

The BlackBerry® Pearl Flip™ smartphone, RM1,999, lets you screen calls and preview messages on the external screen. It's also Wi-Fi enabled.
